Rebate Offer Terms and Conditions

Applicable to Canadian residents and new activations only. Cannot be combined with any other inReach Canada offer. Void where prohibited by law. Offer value is comprised of a \$75 rebate on the purchase of an inReach device, and a rebate of up to \$74.95 on the monthly service plan activated. The hardware rebate and one month service rebate apply to any model of inReach device purchased from an authorized retailer between June 1 – July 31, 2017, and activated with any inReach Canada Standard service plan. Rebates are applied as a credit on your account within 60 days of receipt of an eligible claim. Airtime overage fees are not included. Standard terms and conditions, including a minimum 30-days active service, apply: inreachcanada.com/terms-and-conditions.

*The \$150 rebate value is based on a \$75 hardware credit and a one-time rate plan credit of up to \$74.95 (based on the Unlimited plan). The actual rate plan credit applied will be equivalent to the value of the monthly plan the user activated.
